New Delhi, the 11th June 1965

S.R.O. 208.—The following amendments made by the Cantonment Board, Allahabad, in exercise of the powers conferred by section 186 of the Cantonments Act, 1924 (2 of 1924), to the bye-laws for regulating the erection and re-erection of buildings in Allahabad Cantonment published under notification of the Government of India in the Ministry of Defence No. 317 dated the 5th June 1943 is hereby published for general information, the same having been previously published, approved and confirmed by the Central Government as required by sub-section (1) of section 284 of the said Act, namely:—

Amendments

In the said bye-laws—

- (i) in clause (i) of bye-law 2, for the first sentence, the following sentence shall be substituted, namely:—

“The plans, one copy of which shall be prepared on tracing cloth and the other two in blue print, shall be drawn to a scale of not less than 8 feet to an inch provided that in the case of plans for very large buildings proposed to be constructed by any institution, corporation and the like, the Board may permit the site plan to be drawn to a scale of not less than 100 feet to an inch, and accept one copy of the plans in blue print with cloth lining, instead of a copy on tracing cloth, along with the other two copies in blue print, whenever considered necessary”.

- (ii) for clause (a) of bye-law 5, the following clause shall be substituted, namely:—

“(a) Every room intended for or used for human habitation shall have a superficial area of at least 120 square feet excluding the staircase, if any, and a minimum width of 10 feet and shall have at least one door and one window opening directly into the external area or into a verandah, the area of such window or windows which shall be capable of being completely opened, being not less than one-tenth of the floor area of the room;

Provided that in the case of a small building where the enforcement of this bye-law is not practicable owing to the lack of space and in the case of buildings proposed to be constructed by public institutions or corporations in accordance with approved designs and other specifications, the Board may sanction the construction of rooms of which the superficial area is less than 80 square feet.”

- (iii) for bye-law 35, the following bye-law shall be inserted, namely:—

“35. No building shall in any case have more than two storeys provided that in the case of a building of an educational institution or hostel, the number of storeys may be raised to three if the site of such building falls beyond 500 yards of the nearest residential quarters. But where the site of such building falls within 500 yards of the nearest residential quarters, the number of storeys shall not exceed one”.
